real estate. In point of solvency and reliability, the insurance dealing, they have out *every* agent, and no one can dispute the fact that they are the largest and best in the world—first class bonds and mortgage—own property in New York and Brooklyn—securities that are held for the past twenty years, and are as good as gold, and are every way more reliable and permanent than the stocks and bonds of the market, and having no fluctuations, and other stocks, which are subject to fluctuations, and are as good as gold, and are as good as gold, as the experience of the past teaches, to become almost, if not entirely, reliable, and having no fluctuations. Companies entering the field of competition, are invited to succeed by publishing *particular* and *one-sided* statements of their own merits, and by making false statements on hand sufficient to reimburse their outstanding risks, the above named companies always have and hold the best, for the past twenty years, and are as good as gold, no instance four times, needed for the reinsurance of a condition. POSSIBLE of making medicines to ruin the constitution, and make brick to make water, tearing down to build up, giving encouragement without giving aid, and making a bad business of stirring, nor coming once never to be seen again. We are regular every few weeks in our visits, frank in our opinions, honest in our dealings, and we have no other aim but to invite physicians to give clients not to know everything, or to cure overboard, but do claim to reason full common sense, and to cure seven out ten pronounced incurable. We respectfully request those who have tried this respectable physician, to give him a testimonial, and to give the medicines and doctors till worn out and discouraged, to come to us. There has been an uninterrupted call for extras containing the inaugural message, and we were obliged to put the form on the press after we supposed the demand had ceased. Our friends in the country are particularly anxious to get it, and a large portion of what we have printed has been taken by them. No document has ever created more interest than this.

Inauguration Supper.

The inauguration supper to-morrow evening ought to be well attended by the republicans of the city. Surely such a change as President Lincoln will inaugurate is sufficient to make the friends of the Union everywhere rejoice, and we hope a hearty expression of joy will be given by the republicans of Janesville and such democrats as hail with gratification the close of an imbecile or treacherous administration. The arrangements will be made with a view to accommodate a large number of persons, and "the exercises" are expected to be lively and interesting. Especial attention will be given to the comfort of the ladies in attendance, of whom it is hoped a large number will be present.

Oak Hill Cemetery.

The following is the record of interments at Oak Hill Cemetery for the month of February, 1861:

| Date.    | Name.                | Residence.       | Age. | No. of Burial. |
|----------|----------------------|------------------|------|----------------|

The trustees of the cemetery are desirous that those persons wishing interments should give the sexton the cause of the death of the individual interred, and the name of the physician in attendance at the time of death.

The military meeting this evening will be one of particular interest to members, and an early attendance is particularly desirable. The business to be transacted requires time, and each one should attend punctually in order that it may be concluded before a late hour.

DEATH OF AN OLD CITIZEN.—Mr. Levi St. John, one of the earliest settlers of the county, died at his residence in this city last evening. He had been ill for a long time. Thus, one by one, are the old landmarks passing away.

The funeral of the deceased will take place to-morrow. Services at the family residence in the third ward, at 2 o'clock, P. M.

CLERK'S FEE.—The bill which has passed the senate regulating the fees of the clerk of the supreme court fixes the fee on each suit at \$8, payable in advance. Herebefore the amount has been from \$12 to \$15 on each suit, a portion of which he never received, as many were sent up merely to cause delay. The \$5 per diem allowed him during session of court has been cut off.

COMMITTEE MEETINGS.—The various committees charged with duties appertaining to the inauguration supper are invited to meet at the office of H. N. Comstock this evening, at half past 7 o'clock. A full attendance is important.

Mr. Graham, the member of assembly from this city, was called from Madison by telegraph to attend the funeral of his brother-in-law, Judge Keep, and will probably be detained the remainder of the week by duties necessary to the family of the deceased.

SCHOOL LAND INTEREST.—It may be interesting to some of our readers to be reminded that the time for paying interest on loans from the school fund runs until the 31st of May next without incurring the penalty of 5 per cent. additional interest. The law will be found in the Session Laws of 1860, chapter 99.

DIED.

In this city, on the 4th inst., after a tedious illness of some months duration, Mr. LEVI ST. JOHN, in the 92d year of his age.

Mr. St. John was a native of Hubbardston, Rutland county, Vermont. As early as 1836, the same year in which congress passed the act organizing the territory of Wisconsin, he pitched his tent at Janesville, then scarcely so much as an inconsiderable hamlet. He was among the first families who made a permanent settlement here. For a quarter of a century he has been a resident of our town. He has been a witness of its growth, and has been constantly identified with its progress. The strength and vigor of his days have been expended here. As a pioneer, he and his estimable wife, who survives him, have borne the heat and burden of the day. Changes scarcely dreamed of by the most enthusiastic have been wrought since they became residents of this place.

Mr. St. John was a kind husband and father, and his worthy family will feel keenly their loss. As a friend and neighbor, and as a conscientious, upright man of business, whose integrity was always unimpeachable, he enjoyed largely the confidence and regard of all who knew him. With much patience and christian fortitude did he bear up under his distressing illness; and with calmness, submission and gladness did he put off the mortal for the immortal.—[Com.]

MILITARY ELECTION.—On this (Tuesday) evening there will be an election of officers for the military company. Besides this election, a name for the company is to be adopted, and other business of an important nature to be transacted. The meeting will be held in the council room, and will be called to order at half-past seven o'clock; consequently, an early and prompt attendance is required. J. B. KING, Pres't.

Another British subject, W. Morrow, has been abused at Savannah, Ga. He lent a newspaper to a negro, which had one of Beecher's sermons in it, and the mob got him and threatened hanging, but let him off for fifty dollars on condition he should leave on the next steamer, which he did, and has arrived safely at Toronto.

Should the terrible conflagrations that

are sweeping over the country in all directions prove as frequent and disastrous for a twelve month to come as they have during the last eighteen months, very many of the small Fire Insurance Companies, having their agents scattered throughout the west, must go to the wall, there is no salvation for them. For January, 1861.

# LOCAL DEPARTMENT.

## Public Anxiety.

There has been an uninterrupted call for extras containing the inaugural message, and we were obliged to put the form on the press after we supposed the demand had ceased. Our friends in the country are particularly anxious to get it, and a large portion of what we have printed has been taken by them. No document has ever created more interest than this.

## Inauguration Supper.

The inauguration supper to-morrow evening ought to be well attended by the republicans of the city. Surely such a change as President Lincoln will inaugurate is sufficient to make the friends of the Union everywhere rejoice, and we hope a hearty expression of joy will be given by the republicans of Janesville and such democrats as hail with gratification the close of an imbecile or treacherous administration. The arrangements will be made with a view to accommodate a large number of persons, and "the exercises" are expected to be lively and interesting. Especial attention will be given to the comfort of the ladies in attendance, of whom it is hoped a large number will be present.

## Oak Hill Cemetery.

The following is the record of interments at Oak Hill Cemetery for the month of February, 1861:

| Date.    | Name.               | Residence.  | Age. | Sex. |
|----------|---------------------|-------------|------|------|
| Feb. 15. | Charles S. Parker.  | Harmony.    | 21   | M.   |
| "        | Walter C. Harrison. | Janetville. | 40   | M.   |
| "        | John H. Hays.       | "           | 11   | M.   |
| "        | John H. Hays.       | "           | 11   | M.   |
| "        | Henry W. Parker.    | Janetville. | 8    | M.   |

The trustees of the cemetery are desirous that those persons wishing interments should give the sexton the cause of the death of the individual interred, and the name of the physician in attendance at the time of death.

The military meeting this evening will be one of particular interest to members, and an early attendance is particularly desirable. The business to be transacted requires time, and each one should attend punctually in order that it may be concluded before a late hour.

**DEATH OF AN OLD CITIZEN.**—Mr. Levi St. John, one of the earliest settlers of the county, died at his residence in this city last evening. He had been ill for a long time. Thus, one by one, are the old landmarks passing away.

The funeral of the deceased will take place to-morrow. Services at the family residence in the third ward, at 2 o'clock, P. M.

**CLERK'S FEES.**—The bill which has passed the senate regulating the fees of the clerk of the supreme court fixes the fee on each suit at \$3, payable in advance. Herefore the amount has been from \$12 to \$15 on each suit, a portion of which he never received, as many were sent up merely to cause delay. The \$5 per diem allowed him during session of court has been cut off.

**COMMITTEE MEETINGS.**—The various committees charged with duties appertaining to the inauguration supper are invited to meet at the office of H. N. Comstock this evening, at half past 7 o'clock. A full attendance is important.

Mr. Graham, the member of assembly from this city, was called from Madison by telegraph to attend the funeral of his brother-in-law, Judge Keep, and will probably be detained the remainder of the week by duties necessary to the family of the deceased.

**SCHOOL LAND INTEREST.**—It may be interesting to some of our readers to be reminded that the time for paying interest on loans from the school fund runs until the 31st of May next without incurring the penalty of 5 per cent. additional interest. The law will be found in the *Session Laws of 1860, chapter 99.*

**DIED.**—In this city, on the 4th inst., after a tedious illness of two months duration, Mr. LEVI ST. JOHN, in the 62d year of his age.

Mr. St. John was a native of Hubbardston, Rutland county, Vermont. As early as 1836, the same year in which congress passed the act organizing the territory of Wisconsin, he pitched his tent at Janesville, then scarcely so much as an inconsiderable hamlet. He was among the first families who made a permanent settlement here. For a quarter of a century he has been a resident of our town. He has been a witness of its growth, and has been constantly identified with its progress. The strength and vigor of his days have been expended here. As pioneers, he and his estimable wife, who survives him, have borne the heat and burden of the day. Changes scarcely dreamed of by the most enthusiastic have been wrought since they became residents of this place.

Mr. St. John was a kind husband and father, and his worthy family will feel keenly their loss. As a friend and neighbor, and as a conscientious, upright man of business, whose integrity was always unimpeachable, he enjoyed largely the confidence and regard of all who knew him. With much patience and christian fortitude did he bear up under his distressing illness; and with calmness, submission and gladness did he put off the mortal for the immortal.—[Com.]

**Military Election.**—On this (Tuesday) evening there will be an election of officers for the military company. Besides this election, a name for the company is to be adopted, and other business of an important nature to be transacted. The meeting will be held in the council room, and will be called to order at half-past seven o'clock; consequently, an early and prompt attendance is required.

J. B. KING, Pres't.
